Letter from the President

Scarlett Sanders

Hello everyone,

Well Premier & our National Specialty is just around the corner! This will be my last letter from the President as I won't be running again this term due to some medical issues I need to tend to. However, I leave you in good hands as Miranda Reeves will be taking over the President's position. I will still be active in our Club though and working to help where I am needed. I want to take a moment to thank all of you for allowing me to serve you in this capacity. I have really enjoyed my time as President and feel that we got quite a bit accomplished, moving ever forward towards our goal of Parent Club status.

The plans for our National Specialty are about complete. The trophies are about done and I will be sending out photos of them very soon. I just love the BOB prize, he's a one of a kind hand carved with a chainsaw! He was a balk/tan but Tim white washed him into a White Shepherd! His bone shaped collar tag says BOB (Best Of Breed) so we call him Bob! LOL. Here's a photo of him.

We will also be doing a raffle this year at Premier! I'll be sending out photos of the raffle prizes very soon if anyone would like to purchase tickets that isn't going to Premier, I'll be happy to keep a running list of each persons numbers. However, you would need to pay the shipping of your prize if you win. Tickets will 1.00 each or 20 for 15.00. All proceeds will go directly to our Club.

Our Club did very well on the National Specialty items sold this year! Thanks to your generosity, it looks like our Club will make about 175.00! Thank you everyone for your support!! I have placed our order and it should be here in about a week.

Please remember that while your out and about enjoying the summer months with your furry friends to bring your camera and enter your summer photos in the Summertime Fun contest! Contest entry deadline is August 1, 2010. Email your entries to newslettereditor@unitedwhiteshepherdclub.org

Don't forget to include your name and your dogs name when you enter.

Your friend in the White Shepherd,

Scarlett

Letter from the Editor

Hello White Shepherd Family!!

What an experience this has been putting together my first issue for our wonderful club! I worked on this issue most of May so I could get ready for my vacation during Memorial Day weekend and the first part of June. How many of us celebrated Memorial Day weekend with a BBQ?? A trip out of town? This is the 1st year I did both. Last year I celebrated Memorial Day with my father going to Northwest Louisiana Veteran's Cemetery to honor the men and women who have served our country. As I was putting this newsletter together, I was thinking what a great way to honor those who served than with a beautiful picture of our white babies and our American flag.

I want to thank Cathy Wasman for getting me permission to use some beautiful babies as our last page of this issue. And I want to thank my husband for making me such a beautiful picture of my baby boy, Dax, for our cover.

I have thoroughly enjoyed putting together this newsletter with Lena and Scarlett. Thank you to everyone who contributed to this issue.

Ala and Dax

CONGRATULATIONS!

Congrats Foxhunt White Shepherds for receiving "Breeder of the Year" from their local club! What a great honor!

Welcome Connor Family!

Me and my husband Kevin have gotten our first White Shepherd (Kystal) 5 years ago, and could not have been happier with her. We then inherited our second White Shepherd (Joby) who is 4 1/2 years old and he is such a baby. Well, as anyone knows 2 is fine, but then we got our third White Shepherd (Truk'r) who drives in the Semi Truck with my husband over the road. Truk'r has been to more states and met more dogs and people anyone could image. Truk'r is 1 year and 6 months old. He is gone for a couple of weeks at a time, but he loves being with my husband in the Truck. We all love when he comes home, because he loves to play with everyone.

To add to the great White Shepherds in our house Kystal had puppies last June (her first litter of 9), and our first time for having to watch and caring for puppies, and we kept one of those puppies and her name is Lady who is now 11 months old. It was a great experience to take care and watch those puppies grow. I cannot forget about the cat who is 14 years old (Frisky) who puts up with the dogs and loves playing with them all. It is quite a full house, but we love it. Kevin comes home for a couple of days and off to work he goes as Truk'r loves when they get all packed up for the road, and everyone else has to stay home with me.

We show Krystal, Truk'r and Lady in Confirmation. Kevin shows Truk'r and shows Krystal. I just started showing Lady. Each one of our dogs has different personalities and it is so great they all get along. They love kids, people, and of course Frisky!!! We will try to send a picture of them all as soon as possible. Kevin is over the road alot and I work full-time, so it is always nice to come home to the warm welcoming dogs after a day of work. They make you laugh, and they do crazy things. I could go on about all of us, but here is a brief background of us. We have met a variety of people at the shows and everyone has been very nice and helpful. Look forward to hearing about other people and their dogs and family.

Purina Walk of Champions Pave the Way to a Healthier Future for Dogs

A brick walkway honoring dogs that have earned titles in any canine sport will pave the way to the new Purina Event Center and also help support the Canine Health Foundation.

The Purina Walk of Champions contains about 4,000 bricks leading to the entrance of the world-class, multimillion-dollar indoor facility, which opens this fall at Purina Farms in Gray Summit, Mo. The Event Center will host all-breed dog shows, national specialties, agility and obedience trials.

“The engraved brick pavers that make up the Purina Walk of Champions are a wonderful way to pay tribute to a special dog,” said Cindy Vogels, chairwoman of the Canine Health Foundation. “The gesture extends not only to your own dogs but to dogs everywhere through support of canine health research.”

Owners may purchase bricks in their dogs’ honor by providing \$100, of which \$70 is a tax-deductible donation, to the Canine Health Foundation. The largest nonprofit organization that funds health research exclusively for canines, the Canine Health Foundation has awarded nearly \$24 million since 1995 to support canine health research at veterinary schools and research institutions worldwide.

Ann Viklund, Purina Director of Conformation, Sporting and Breeder Marketing, said, “We are pleased to offer this opportunity to the dog fancy. The Walk of Champions will be noticed by all who visit the Purina Event Center. It provides a way of commemorating special dogs forever.”

Since 1997, Purina and the Canine Health Foundation have worked together to support canine health studies that will benefit dogs and those who love them. Many groundbreaking discoveries and collaborations have taken place in many areas of canine health and genetics because of the liaison.

For information about purchasing a brick on the Purina Walk of Champions, please visit <http://supportcaninehealthfoundation.org/bricks>. You may also contact Erica Kitchen, Director of Development, Canine Health Foundation, at 888-682-9696 or enk@caninehealthfoundation.org.

A grand opening for the 84,000-square-foot Purina Event Center is planned for August. The custom-made facility offers numerous amenities, including a 45,000-square-foot main exhibition hall with special padded flooring, a 13,500-square-foot benching and grooming area, and a dog bathing room with stainless-steel tubs and skid-resistant coated concrete flooring.

Other features are the first-floor Checkers Café and a second-floor conference room that overlooks the competition area below. A nearby service center building will provide an examination room for health clinics, two additional stainless-steel dog bathing tubs, restrooms with showers, and a kitchenette that is handy to an outside pavilion. Full-service recreational vehicle hookups and free parking are available as well.

A longtime supporter of the dog fancy, Purina has hosted outdoor dog shows and sporting events at Purina Farms for 15 years. The Event Center will complement existing venues for outdoor dog shows, lure coursing, agility, obedience, herding, and earthdog trials. Purina Farms is located about one hour from downtown St. Louis and the Lambert-St. Louis International Airport.

“We are proud to offer this state-of-the-art facility to the dog fancy to hold their events,” said Brock Fitzgerald, Director of Purina Farms. “We have always worked hard to ensure that clubs had everything they need for the best event possible. Now, with the new Purina Event Center, we are taking dog shows to a new level.”

For information about the Purina Event Center, please visit <http://www.purina.com/eventcenter?dcmp=ici-pur-evt%20center>. Please contact Brock Fitzgerald, Director of Purina Farms, at 888-688-7387 or brock.fitzgerald@purina.nestle.com for information about reserving the facility.

Nestlé Purina PetCare promotes responsible pet care, community involvement and the positive bond between people and pets. A premier global manufacturer of pet products, Nestlé Purina is part of Switzerland-based Nestlé-S.A., the world’s largest food company.

The Purina Walk of Champions leading to the new Purina Event Center is made up of about 4,000 bricks.

Owners who buy bricks in their dogs’ honor help support the Canine Health Foundation.

Japan White Shepherd Association 1st White Shepherd Specialty Show

When I came to Japan 18 months ago, I never imagine that I was going to take part in such a "historical" event. On May 2, 2010, Japan White Shepherd Association (JWSA) held its very first White Shepherd Specialty Show in Mauhari International Conference Center in conjunction with Japan's large Pet Expo. With hundreds of pet enthusiasts (and their pooches) surrounding the conformation ring with their eyes fixed on us, 43 White Shepherds and their handlers exhibited this magnificent breed of dogs for the first time in Japan.

For this occasion we invited Mr. Richard Klatt, a distinguished UKC judge. I must say, Richard was the perfect choice. Even though most of participants were first-time handlers, Richard was very patient and took time physically inspecting and observing each dog carefully. Richard commented that he was very "impressed with the quality of dogs" and at one point he had to use a piece of paper to jot down some notes to keep track, because "so many great looking dogs"!

Due to the language barrier, I was at Richard's side in the ring, constantly translating so the handlers knew what was expected of them, and showing them what to do; including running alongside them! It was quite exhausting and chaotic but the Japanese handlers were very enthusiastic and willing to learn. Also Richard being so easy-going and obviously very fond of White Shepherds made my job easier.

After the show, the officers of the JWSA sat down with Richard and had a great discussion on White Shepherd Breed Standard, how we could improve the show in the future and other comments and feedbacks. Since the show was conducted using the UKC White Shepherd Breed Standard and the UKC rules and regulations (and judged by a UKC judge), Richard said we should contact the UKC to see if we could get credits for holding a UKC conformation show. Before the show, Richard just happened to come across the pedigrees of some of the dogs. All dogs had UKC registered parentages and he thought we should be able to register them through UKC. Now THAT should open up a great opportunity!

Snowy and I enjoyed the show and meeting new friends. We spent some time at the JWSA booth conducting the public relations duty. Snowy was a great breed ambassador by posing for pictures and being petted by visitors as they learn about our awesome dogs. I heard so many people commenting about her gentleness and beauty - making me so proud of my sweet girl.

And I would like to thank Mona Persson for her assistance. She provided me with valuable information and advice to help me put this event together. Thank you Mona!

I am so honored to be a part of this special event. Hopefully the popularity of White Shepherds flourishes in Japan and there will be many more JWSA WS specialty shows!

The Joys and Blessings of puppies...

I am Maggie Keller living in Terre Haute, IN. I have owned White Shepherds for a long time. Like 37-38 years. I know I am old. Not the show person Betty is by all means.

What I experienced tonight during a phone conversation with a buyer from South Carolina is why I love raising puppies.

Here is the story. These people just moved from New Mexico to South Carolina. Their work van broke down in Dallas on the way. It was in the shop for three weeks. Alan was flying to Dallas to pick it up. When he got there it was not ready. Having worked on racecars since his childhood, he and the mechanic started putting it back together. They finished at 11:30 PM. He started driving towards IN. to pick up a puppy. He arrived at my home around 2:30 Thurs. afternoon. They had already received pictures and picked out the puppy they wanted. He was pleased at their choice.

He assured me for his safety and that of my puppy he was going to rest in KY. and go the rest of the way home Friday.

His wife Heidi, said I will wait up for you. She was the one who wanted the puppy in the first place. He drove home arriving around 1 AM.

I called them this evening to make sure everyone was safe and well pleased.

It seems the puppy spent the night in their bed. Even though she was crate trained and potty trained when she left here.

They woke their girls, 7 and 10, this morning introducing them to their new arrival. Katie their oldest cried. She had been hinting for months she wanted a puppy. I am pleased as a breeder to add to the joy of families.

I cried as well when I learned of Katie's tears. She is calling me tomorrow.

This is why, I clean out whelping pens, love on my puppies for weeks on end. Trying to teach them everything I know.

As we know breeding is not a money making business. It just gives pleasure to be able to make other families happy. Knowing this is the best breed ever!

Perhaps one going home next weekend to a family with two boys, 7 and 10. I will smile again. My Dear John who passed away last March is smiling too!

Yours in the love of the White Shepherd, who has brought me love for most of my life. I hope I can keep going.

The rest of the story...

I got to talk to new puppy owners last night. Katie and Mary. They love Sara to death. Katie giggled when she talked about her and did admit to me she cried when she met her she was so happy. Mary giggled as well, she was telling me when you get down like a dog like Mommy does she follows you around. I can see Mommy doing this and it made me giggle too. They both promised they would help in taking care of Sara. I told them it was a big job. They did not seem to mind and are more than willing to do their part.

Nice family, lucky girls and lucky Sara!

Smiling Maggie Keller.

Sara and the girls. All are beautiful.

K9 Amber Alert !!

Yahoo has a Nation-wide group for posting alerts for LOST dogs throughout the United States and Canada. This Group can also be used for posting FOUND or SIGHTED messages. Each post is with the intention and hope of reuniting an owner with their beloved family pet.

In order to post to this list, you must be a member of the Group.

To JOIN this group, simply go to: www.yahoo.com, search for "k9 amber alert group", and then click on the K9 Amber Alert link as demonstrated below:

The screenshot shows the Yahoo search interface. At the top, the Yahoo logo is on the left, and navigation links for Web, Images, Video, Local, Shopping, News, and More are on the right. A search bar contains the text "k9 amber alert group". Below the search bar, there are two search-related tools: "Search Pad" and "SearchScan - On". The search results display a link for "K9AmberAlert: K9 Amber Alert" with a brief description: "K9AmberAlert: K9 Amber Alert ... Nationwide group for posting alerts for missing throughout the United States and Canada. Only information on dogs may be ...". Below the description is the URL "pets.groups.yahoo.com/group/K9AmberAlert" and the word "Cached".

Once you join the list and are approved, you can post to this list if the need ever arises. I have personally used this list to post FOUND and SIGHTED information. I also receive daily Digest and check them daily for dogs that may be listed in my area.

Posting Requirements

In the SUBJECT LINE of your post, you must include: CITY, STATE, and BREED (or mixed). The body of your message should contain your contact name and phone number(s) as well as critical information on the dog such as markings/description, male/female, collar/tags, tattoo, micro-chip, etc. Also, include photo "attachments" in your post so readers will be able to see the dog within the context of your message and refer back to it.

Using the List's Search capabilities to search for your LOST DOG

If you use the list to search for key words, please make sure that you manually review all of the recent messages because new ones are not automatically added to the SEARCH index until the next day or so. (I recently learned this!) If you have any questions, please feel free to contact me and I'd be happy to assist you!

"Gentle Ben" was rescued from abuse in Florida last spring. Scarlett Sanders nursed him back to health and fostered him for several months.

In September Ruthann adopted him, traveled almost 2800 miles round trip to get him, and brought him back to his new home in Upstate New York

Ben loves it here, and he especially loves to play. His favorites are "fetch the ball" and playing in the water. 😊
