[Http://unitedwhiteshepherdclub.org/Downloads/holidaysafetytips.pdf](http://unitedwhiteshepherdclub.org/Downloads/holidaysafetytips.pdf)

We received some lovely & funny entries in our White Shepherd Christmas photo contest! Thank you to everyone who entered and a special Thank you to Arlene Ravenelli for judging our contest. We hope you enjoy the entries.

Plans for the April UWSC Multi Breed show are underway! There will also obedience trials at this show as well. Tim & I have made 2 beautiful trophies for the Highest Scoring White Shepherds in obedience each day. Miranda has been working hard on the planning of this show, she has already applied to UKC and secured the facility. Thank you Miranda for all your hard work on this project! I hope that everyone who is able will show their support by attending these shows!

The 2010 Premier and our National Specialty will be here before we know it! Please note that this year's Premier location and date has changed from years past. The dates are July 9, 10 & 11, 2010 and Top Ten Semi Finals will be held on July 8, 2010 at the Wayne County Fairgrounds & Expo Center 861 Salisbury Road North Richmond, Indiana 47374. Your friend in the White Shepherd,

Scarlett

Letter from the Editor

Howdy!

I hope everyone had a wonderful Thanksgiving and are ready for the Christmas holidays. It seems as though the weather has been blessing most with lots of cold weather and some of you with a lot of snow as well. And yes, even down here in TX we actually got some snow, as crazy as that is.

As most of you know this is my first year as a member in this club and my first white shepherd. Porter has been such a joy and delight to have around this past year and we could not imagine life without him and his goofy and "teddy bear like" personality! It has been fun getting to know many of you, mostly through emails and by working on the newsletter, but also those of you that I met at Premier this year.

What a year! There were so many accomplishments and brags, everyone should be so proud of everything you have done!! I can't wait to see what everyone has in store for 2010 and all the great things our white dogs will do.

I hope you all have a safe, fun and family filled Christmas and a happy new year!
Good-bye 2009, hello 2010!!

Tara Tippit

Letter to the Breeder!

Hi Pam,

Thought you might like a picture of Sheeba at work. She really enjoys pulling my son's stroller while we shop for groceries or walk the mall. T.C. is 26 years old but has the mental ability of about a 2 year old. He can't walk very well and would not be able to use a motorized wheelchair. Sheeba follows us through the store freeing us up to be able to push a shopping cart or to browse. The past two weekends she has also slept through two movies, one at Celebration Cinema North and the other in Plainwell. Her restaurant edicate is really good to where she just lays along side or under the table and does not beg or try to eat crumbs. Last week at Applebee's we were half way through our meal before our waitress even knew we had a dog.

The system of straps that I have works really well in the Mall or at Sam's Club where the aisles are wide. I have designed a system like a Sulky that a horse would pull. I'm building it this week and hope to be able to test it this weekend. This system will allow us to go up and down hills where the straps don't work well for that. When we are outside it works quite well to take a 36 inch leash and put the loop around the handle. Sheeba takes most of the load making it easy for us to push the stroller.

I have worked with Sheeba well over 100 hours so far and thankfully she is a quick learner. Her next task is to learn to recognize and to operate the automatic door switches. She is only 11 months old so I have jumped the gun a little but being that she is a really calm dog it has been going very well. She rides in the car really either in the seat next to me or in the back which ever I tell her to do. We still fly together and she doesn't seem to mind that either. Sure has been fun.

Best wishes,
Tom Werkema

Premier 2010!

New Location Area Info

Richmond is in a farming area of Indiana but offers plenty of choices for lodging, dining, and shopping that anyone attending Premier should not have to leave the area.

There are at least 14 hotels in the Richmond area with 8 of them listing pets allowed. There will be RV sites available on site at the fairgrounds. There are also 3 campgrounds within 6 miles of the fairgrounds.

Area dining includes any type of fast food or sit down restaurant one could want. Shopping includes a Wal-Mart Supercenter, a Walgreens pharmacy, as well as 3 CVS pharmacies. The area also has several parks with one having a fenced off leash dog park.

If there is any information that anyone needs about the area, I am happy to research it for you. Please just let me know what you are looking for and I will get the details for you. I can also contact hotels to confirm pet policies if you let me know which hotels you may be interested in.

Looking forward to seeing many of you at our specialty show during the 2010 UKC Premier!

I have added folders to the group area under files and links that both contain information regarding lodging and dining in the Richmond, IN area.
