Letter from the President

Miranda Reeves

Congratulations to everyone on their accomplishments so far this fall! We're constantly seeing announcements about new titles, championships, group wins, and Best in Show wins – our white dogs are doing awesome! It's great to know that we have a good representation of our breed across the country. We need to continue to be positive ambassadors for this wonderful breed.

The club's All-Breed show is still a few months off but the planning is well underway! The show site has been secured, judges have been lined up, and we're starting to find great prizes. This year, we're going to offer some "fun" activities on Saturday afternoon. We're planning on having most of the afternoon open and we may as well use the building while we're all in one place. I'll be putting together a fun rally course and we'll have some simple agility equipment for everyone to try. We're also working on getting a raffle and a silent auction put together as another fundraiser for this event. Donations for the raffle table and silent auction will be greatly appreciated! If anyone has any additional suggestions for "fun" event – please let me know! The show dates are April 9 and 10, 2011 in Valparaiso, IN.

A huge thank you to our membership chair, Linda! She has been working hard to get the trial memberships ready to go. This is going to be a great way for the club to get more exposure and hopefully expand our membership. The club will soon be ready to offer free 6-month trial memberships to anyone interested in our club!

As I write this, I'm surrounded by my beautiful dogs I will happily admit that they are spoiled! However, on a daily basis there are White Shepherds that end up in shelters or are euthanized and most of these dogs have never experienced living the spoiled dog lifestyle. We really need to commend the efforts of ECHO White Shepherd Rescue as they represent our breed in a huge way and they continually find permanent homes for these dogs. Please take time to visit their website: www.echodogs.org and remember that these are volunteers working very hard to provide better lives for our White Shepherds!

Happy Autumn!

Miranda Reeves

Letter from the Editor

Hello White Shepherd family!!

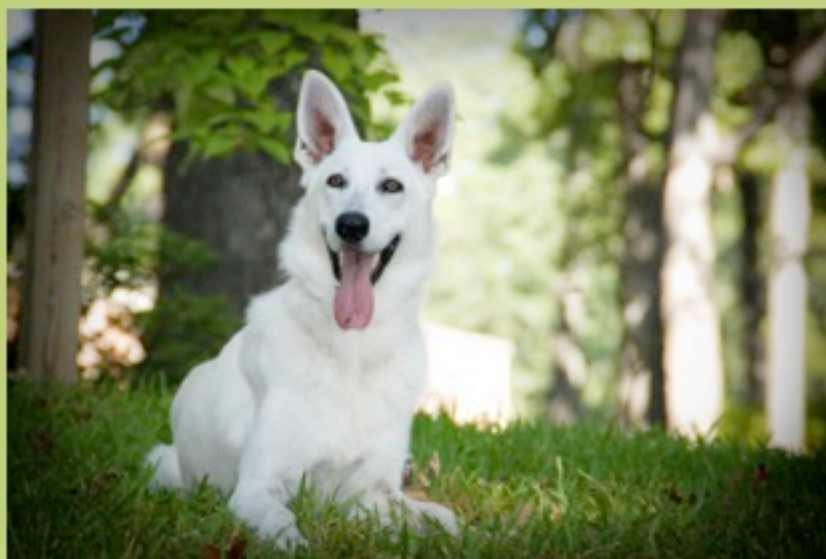

So many great things have happened in the last few months... We have the #1 White Shepherd in our club, numerous members have had success in all of their events, puppies have in been born, and we have some birthdays. Congrats to each and every one of you for a job well done. With you and your furbaby companion(s), we show that are White Shepherds are not just a pretty face or a breed to be discarded.

I also want to thank everyone who has contributed to our newsletter. Without you, we could not have the great newsletter that we would put out every other month. Continue to contribute, even if you have already submitted a picture, a brag, an announcement, in our Yahoo forum. I for one love seeing it again in all it's glory that it deserves.

Have a great Howl-leen and Thanksgiving and I will see you in the forum, facebook, or hopefully at a show.

Happy Responsible Dog Ownership Day!

On Saturday September 18, 2010, the Red River Obedience Training Club and the Shreveport Kennel Club sponsored "Responsible Dog Ownership Day". We had "Meet the Breed" and demos in Agility, Obedience, and Rally. We had a great crowd of spectators that loved watching what our dogs can do. With both clubs we had at least 15 different dog breeds represented... Great Danes, Cocker Spaniels, Whippets, Labradors, Border Collies, Rhodesian Ridgebacks, Bearded Collies, and so many more. Dax got to represent the German Shepherd/ White Shepherd breed at the event. Talk about one proud mama!! This puppy was a wonderful ambassador! He greeted very baby, child, adult with enthusiasm and care. Dax and I got to show off our Rally concentration and talk a little about our special breed, the White Shepherd. We were there about 3 ½ hours and we got to mingle with crowd. Dax showed everyone that he loves to watch his mommy (of course he knew I had the toy and the treat) and show off in the Rally ring. Dax was wonderful with all the noise (mall noise), people, and dogs. When it was my turn with "Meet the Breed", it was hard to put in 2 minutes what is special about this wonderful breed. So I used every moment I had either on the stage or with the crowd to talk about Dax and White Shepherds...

We can not wait till next year and we get to do it again!
Ala and Dax

Courageous, Alert, fearless, cheerful, obedient, tranquil, confident, serious, clever, brave, extremely helpful, and eager to learn... German Shepherds is a loyal family pet and can be wary of strangers. The GSD comes in many colors, Dax is White German Shepherd. The gene that controls the white shepherds is a natural component in the total genetic makeup of the German shepherd breed. I have owned 3 German Shepherds and they are a wonderful breed. They are very active and have a drive to have a task in life. They also love to shed and take over the couch. Their lifespan is an average of 11-13 years and have an average weight of 77-85 lbs.

"Gentle Ben" was rescued from abuse in Florida in April 2009. Scarlett Sanders nursed him back to health and fostered him for several months.

In September 2009 Ruthann adopted him, traveled almost 2,800 miles round trip to get him, and brought him back to his new home in Upstate New York.

Ben is a loving, healthy, happy, playful dog, and a great companion. He loves to play fetch the ball, and enjoys having a forever home. ☺

CONGRATULATIONS

Kudos to our wonderful Sapphire for all that she has achieved so far this year. After whelping a gorgeous and healthy litter of 11 in February, she goes on to earn a BIMBS in August, a RBIMBS in September, and is ranked in the UKC top 10. In the past, Sapphire had spent some time with a Search and Rescue person here in Oregon who advised that Sapphire has the best nose she had ever seen in a shepherd (so of course she now has a Sapphire son-ha!)

Dam - Ch SureFire Stella blue Starr

Sire - Ch SureFire Legolas of Mirkwood

Parsons Creek Shepherds wants to tell everyone how proud we are of our girl "Darla", who earned her UKC conformation championship on August 30, 2010, at 6 months of age. She has all of her mothers wonderful drive, tracking abilities, outgoing confident temperament, and intelligence. Yet she also has her sire's striking expression and body type. We look forward to all of the wonderful things Darla will do for our White Shepherd breed, and more specifically Parsons Creek's breeding program.

Congratulations beautiful girl!!

With sadness we honor Kal-El, the first White Shepherd registered with the United Kennel Club to achieve the United Grand Agility Champion title, who passed away on October 15, 2010 due to hemangiosarcoma and ruptured spleen. Kal-El was an outstanding representative of White Shepherd breed. His high achievements in dog sport are tangible memorials of his wonderful temperament and excellent trainability.

Our deepest Condolences to Kal-El's owner - Beth Borchardt.
