# Letter from the Editor

Hello Everyone,

With winter fast approaching and things getting slower, I thought it would be fun to try some thing new for the newsletter.

We are going to add a fun section of photos and stories !!!

This first one will be on "Funny ways our pets sleep". So get your stories and photos in for the next issue !!

We are also open to any ideas you have for future things to run in this new section. Remember this is YOUR newsletter so we need your input as to what you would like to see.

Hope every one had a great summer; I for one am looking forward to the cooler fall temps ;-)

# Letter from newsletter staff

Hey everyone -

I want to let you know that I am going to be stepping away from working on the newsletter after the year is over. I have thoroughly enjoyed getting to know many of you (and your dogs) through the newsletter. It is always so much fun to see everyone's accomplishments and to see our White Shepherds out there doing some really wonderful things ☺!

Please consider stepping up to volunteer and helping out our newsletter team! This is a wonderful newsletter that I know many people enjoy seeing. I will be more than happy to help anyone in any way that might be interested, just let me know.

I sure hope everyone is enjoying the cooler temperatures, I know I am thoroughly enjoying a break from the 100 degree temps we had ALL summer long down here in Texas.

A huge thank you to, Jamie Fincher, for judging our Howl-O-Ween contest this year! We had some great entries and it was hard for her to choose. Jamie emailed me and asked if we could add a 'cutest' photo to this contest b/c she already had it picked out and we just had to have one!!

*The Meaning of Rescue*

*Now that I'm home, bathed, settled and fed,  
All nicely tucked into my warm new bed.  
I'd like to open my baggage,  
... Lest I forget,  
There is so much to carry-  
So much to regret. Hmmm...*

*Yes, there it is, right on top,  
Let's unpack, Loneliness, Heartache, and Loss,  
And there by my bed hides Fear and Shame.  
As I look on these things I tried so hard to leave -  
I still have to unpack my baggage called Pain.*

*I loved them, the others, the ones who left me,  
But I wasn't good enough - for they didn't want me.  
Will you add to my baggage?  
Or will you help me unpack?  
Or will you just look at my things -  
And take me right back?*

*Do you have the time to help me unpack?  
To put away my baggage,  
And never repack?  
I pray that you do - I'm so tired you see,  
But I do come with baggage -  
Will you still want me?

### **Versatility Titles for your dogs**

Are dogs are valued members of our households and part of our families, whether mix breed or pure bred. We dabble in every thing from therapy work to water rescue. Also, we ourselves do a lot for the dog world, whether it be attending seminars or putting in time at booths to promote our breed or dogs in general.

I would like to invite each of you to now be rewarded for all that time and effort.

A Versatile working registry was formed many years ago called “Clever Canine Companions”. Some of you already have titles on your dogs with this registry. Clever Canine Companions, CCC, is a working registry unlike most you will find. Its motto is “Helping Pets Become Better Citizen and Companions”. In order for you to receive titles on your dogs with this registry you must first meet requirements for your self. This registry has stepped up the bar for titling dogs and has made it, in my eyes, a wonderful process, and truly a title to be proud of.

Each owner is required to show that they are a valued asset in the dog community, whether it is by doing training, being part of lectures, donating their time to animal shelters or rescue, or being part of demonstrations. The goal of this registry is to make public perception of dogs and their owners a good one. We all know people who have multi tilted dogs, but what have they done themselves for the dog world? This is a place to be rewarded, for not only what your dog has accomplished, but what you as an owner having given to the public to make this world more dog friendly.

Clever Canine Companions does not discriminate on breed, mix breeds are welcomed; or registration. Your points can come from almost any where for your titles, not just the normal AKC, UKC, titles are accepted. They offer 3 titles, Versatile Canine Companion, Versatile Canine Companion Excellent, and Outstanding Versatility. Each title is based on points achieved in 10 categories, ranging from obedience, conformation, herding, to Soundness, just to name a few. You may find out more information about this registry at <http://clevercaninecompanions.webs.com> . Not only is this a title of versatility for your dog, but it is a title for responsible dog ownership, for yourself. The CCC titles are recognized across the country, with more than 1000 titles given out just in the last 6 years alone. It also offers recognition certificates for dogs and handlers doing therapy work.

These titles are not only recognized, but some of the top dogs in this country’s spot light have CCC titles behind their names.

If you have any questions after looking at the web site, please feel free to contact me 😊
